To whom it may concern,

Based on the information and documentation provided by American Consulting Engineers of Florida, LLC and the Escambia County Engineering Department, the proposed project of the replacement of O.C. Phillips Bridge over Brushy Creek in Escambia County, Florida will have no adverse impact on the floodplain.

If you should have any questions or concerns in regard to this matter, please feel free to contact me at jahampton@myescambia.com or 850-595-4560.

Thank you,
